

**The 1997 Holiday Gift
From Nora Corbett For Mirabilia**

"In Cupid's Garden"

by Nora Corbett

An impish cherub pours "heads" of water from a silvery watering can in this latest edition of Nora Corbett's holiday cherub series. Because each cherub in the series is the same size and similarly colored, you can easily begin a collection which can, through the years, become a charming set of cherub pillows, a framed grouping, or a very special hand-stitched baby quilt.

Best of all, this quick-to-stitch design is yours free, along with the warmest holiday greetings, from all of us at Mirabilia Designs. Happy 1998!
